** The Census Bureau works with either tribal governments or state officials to define statistical entities for federal and state recognized American Indian and Alaska Native tribes that have no legally-defined land base. These entities are portrayed on this map with the name of the entity and a point symbol.*

Congressional districts are those in effect for the 108th Congress of the United States (January 2003-2005); all other legal boundaries and names are as of January 1, 2000. The boundaries shown on this map are for Census Bureau statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights of ownership or entitlement.
