**NOTES:**

- A '\*' following a place name indicates that the place is coextensive with a MCD. A '\*\*' indicates that the place is also a false MCD. In both cases, the MCD code is the same as the place code.
- A '\*\*\*' following a VTD code indicates an actual voting district. Its absence indicates that the VTD is a pseudo voting district or no information is available as to its status.
- A '\*' following a block number indicates that the block number is repeated elsewhere in the block.
