The boundaries shown on this map are for Census Bureau statistical data collection and
population purposes only; their depiction and designation for statistical purposes does not
constitute a determination of jurisdictional authority or rights of ownership or entitlement.

S. DEPARTMENT OF COMMERCE Economics and Statistics Administration U.S. Census Bureau

The plotted map scale is 1:40000

The diagram illustrates the location of a sheet within a column. It features a large, irregular outline representing a column or container. Inside this outline, there is a smaller, rectangular box with a black border. This box is partially overlapping another rectangular area that has a light gray background and a black border. The overall shape of the column outline is jagged and non-uniform.
